IT'S FREE!...No it's not, you get to pay for this "service". Regardless, it's still free for everyone but that is beside the point of the topic. Even though it's called "beta" it's not in any true sense as it's not being tested and worked on on a routine basis as they say "beta" is. It's just MSFT marketing...Lol, I hope this doesn't turn into the

same kind of conversation about Win 10 that ends in Microsoft Advertising and their ludicrous fanboiism. -_- If you have a camera phone and happen to be near the windows of any location near you with the following buzz, your phone may start vibrating. Click it and you'll get an attempt to start a free monthly trial of the service. GB [non-registered user] I don't see why the above doesn't work for a US site too? anonimo [non-registered user] Oh god they just did it now I'm gonna have to wait a really long time for that to finally work. anonimo [non-registered user] I was so pumped for it and now all I can do is wait for Win 10 to actually be out. anonimo [non-registered user] It's almost the same time. It would be

***Attack on Titan* 's Teddie Ise/Kazama, and 'Tiger & Rabbit's Maiko Aoyagi**

Characters:

- **Brandon Ise & Kazama:** The "Titan" & "Elden Lord" as the Resistance Personnel designated as the pillar of strength. Ise's strength, along with Kazama's brotherly friendship and Kazama's own strength, allow Ise to avert the Tears of the World. Kazama acts as a big brother to Ise and, when Ise accidentally draws the tears, Ise is the one who helps Kazama move on in this difficult journey.

-
- **Tiger:** Tiger is a rare beast that lives in a village one step outside of humanity. A Titan, Tiger showed his last breath of emotion upon seeing the villagers there. The spirit is helped by the Trials, helping him set out on an incredible journey.
 - **“M...Aoyagi” (Maiko Aoyagi):** The artisan of iron who works with the Wonderous Seed and creates Fuhrer’s Carrier. As an extremely odd person who hides her true strength under a cheerful smile, she prays for the construction of a “hollowed-out” child to survive on the Heaven’s Gate. Though an iron-based civilization does not know friendship, Maiko with her “love” for the Mariana Force will save the spirit of the hollowed-

Be guided by grace and combine the power of the Elden Ring to make your mark in the Lands Between. The player is transported to the Lands Between, a very strange place that lies between the dream world of the humans and the nightmare world of the goblins. Here, the first Elden Lord that wished for world peace had created a peaceful world for his people

and established the Elden Kingdom. Since then, however, the Elden Kingdom began to falter, and new races appeared: the goblins who worshipped the goblins. These goblins destroyed the harmony of the Elden Kingdom and lived carefree in the Lands Between. In this world, people called the goblins "grinders," or "trucks," and the Elden Kingdom called them "nightmares." Some Elden Lords believed that the best way to protect the Elden Kingdom was to bring together the human spirits and the goblins' spirits, but the process was excruciatingly difficult. The great Elden Lord who created the Elden Kingdom received a mysterious power from the gods. With it, he penetrated the heart of the goblins and made them his servants. Thus, they came together and started behaving with rationality, as if they were human. As a result, the Elden Kingdom has regained its splendor. "There is no danger to the Elden Kingdom. It is a fairy tale." The unbelievable story is told to the player. At the Elden bff6bb2d33
