Game Name: Allods Online Genre: RPG Platform: PC Developer: Reverage Labs Release date: June 19, 2016
Publisher: Aeria Games A release that is finally worthy of the name of "online RPG" in the genre. The development of the game was carried out with the intention of creating the worlds largest online RPG. A variety of contents that cannot be described by words • AN RPG that Supports a Long Online Playtime The game is offline-play. However, you can connect to the game world through the game's server in order to raise your ranking or get rewards from the in-game shop. • Also Supports LAN Play In addition, you can enjoy a LAN play (Play with other players using your PC instead of the server) if you have a local network. • All Original Sound and Visuals The game has a very immersive sound and has very beautiful graphics. • Something for Fans of the Other Games This is all you need to know about what kind of contents the game has. Game Name: Diablo III Genre: Action RPG Platform: PC Developer: Blizzard Entertainment Release date: May 15, 2013 Publisher: Blizzard Entertainment It has been over two years since the release of Diablo III, but the fans are still waiting for the game to come back. Diablo III was released in the PlayStation 3 and the Xbox 360, but the PC version sold more copies. The lord of hell finally reappears in the world, and it's just you. In a time of crisis, you have been revived with a mysterious power. You are in the world of Sanctuary, where numerous demonic beasts have appeared. So you will have to fight against the extremely dangerous beasts, as well as powerful rival players, in order to continue living. The number of demons, the difficulty of the game, and the overwhelming size of the content are incomparably huge. -----
Game Name: The Elder Scrolls Online Genre: MMORPG Platform: PC Developer: ZeniMax Online Studios Release date: April 4, 2014 Publisher: ZeniMax Online Studios "Open sandbox" is the only genre, and Tamriel, one of the continents of the world of Elder Scrolls, is the world that was born for the genre. The Tamriel has been divided into provinces, which are influenced by the cultures of different races. Tamriel's political structure is in a constant state

Trace and Transform Ability on Objects.
Truly Destructive Weapons and Unique Equipment.
Learn Skills to Access the Most Advanced Levels of Ability.
Development of Your Player via Weapon and Equipment Combinations.
An Epic Drama Driven in Fists of the Heroes!
Strategic Tag Matching System.

Castlevania: Lords of Shadow 2 is a game where souls cannot be stolen and where the Party Town system will be changed.

Description: Travis makes his triumphant return in Castlevania: Lords of Shadow 2. Imagine if the storyline of the first game had gone in a different direction. Travis must now, as you saw in the teaser trailer, sacrifice his own body and mind to ascend to a higher plane, in order to give his friend Victoria his arms back...

The Hunter form enemies chasing after Travis have no qualms about crushing him: he stumbles, and they step in with a violent kick or a SWAT... After seven uses, Travis must be in an open space. In order to reach that open space, he will have to use the power of his bow to make use of the distance... Poor guy!

A few months after the events from the first game, the power-hungry Caroline has arrived in America. With the help of a young Miriam, they change the religion of the world. Ethan's wife is inextricably mixed up in all this. They have kidnapped Miriam, and want to use Ethan's machine to advance in their cause. Where is his friend Reginald?

The player will be able to jump, bounce, and float as they make their way through the castle of Caroline and Ethan. They can use this to not only make their way through the castle, but also to make the castle crumble in on itself.

Castlevania: Lords of Shadow 2 will be released for Xbox 360, PlayStation 3, and Wii U on the 3rd of October 2013, and on PlayStation Vita on October 10th 2013.
